

How **The Lunch Box** Got Its Name

Of One Accord Ministry held a contest asking middle school students in Hawkins County to develop a name and logo for the bus program.

- A 7th grade art class from Church Hill Middle submitted the name: “The Lunch Box”
- Kylie Russell from Rogersville City School submitted the slogan: “Providing Vittles on Vacation”

“The Lunch Box: Providing Vittles on Vacation” became the official name of the program, which was developed from these two entries. Kylie designed the artwork that was later displayed on the bus.
